

City Of Stars

*City of stars,
are you shining just for me?
City of stars,
there's so much that I can see*

Who knows?

Who knows?

Oo _____

I felt it from the first embrace I shared with you

That now our dreams may finally come true

City of stars, just one thing everybody wants

City of stars,

just one thing everybody wants

there in the bars

there in the bars

and through the smokescreen of the crowded restaurants

It's love

and

the crowded restaurants

It's love

it's love from someone else

Yes, all we're looking for is love from someone else

A rush a glance a touch a dance

A look in somebody's eyes to light up the skies

to open the world and set me reeling

A voice that says, I'll be here

and you'll be alright

I don't care if I know just where I will go,

cause all that I need's this crazy feeling, a rat-tat-tat on my heart

Think I want it to stay

City of stars, are you shining just for me? City of stars

You never shined so brightly
