

Everything

*You're a fallin' star
you're the getaway car
you're the line in the sand
when I go too far*

*You're the swimming pool
on an August day
And you're the perfect thing to say*

*And you play it coy
but it's kind of cute
When you smile at me,
you know exactly what you do*

*Baby don't pretend
that you don't know it's true
'cause you can see it when I look at you*

And in this crazy life
And through these crazy times
It's you, it's you
You make me sing
You're ev-'ry line
You're ev-'ry word
You're ev-'ry thing

You're a carousel
you're a wishing well
and you light me up
when you ring my bell
You're a mystery
You're from outer space
You're ev-'ry minute of my ev-'ry day

And I can't believe that I'm your man,

oo oo oo

and I get to kiss you baby just because I can

oo oo oo

Whatever comes our way, oh, we'll see it through

oo-oo oo-oo

And you know that's what our love can do

oo-oo oo

And in this crazy life
And through these crazy times
It's you, it's you
You make me sing
You're ev-'ry line
You're ev-'ry word
You're ev-'ry thing

So la, la, la, la, la, la, la

So la, la, la, la, la, la, la

And in this crazy life
And through these crazy times
It's you, it's you
You make me sing
You're ev-'ry line
You're ev-'ry word
You're ev-'ry thing

You're ev-'ry song,
and I sing a long,
'cause you're my ev-'ry thing

So la, la, la, la, la, la, la

So la, la, la, la, la, la, la, la, la
