

Fix You

When you try your best but you don't succeed
when you get what you want,
but not what you need
When you feel so tired but you can't sleep
Stuck in reverse
And the tears come streaming down your face
when you lose something you can't replace
when you love someone but it goes to waste
could it be worse?

Lights will guide you home, mm
Lights will guide you home and ignite your bones, I will try to fix you

High or down below
And high up above or down below, when you're too in love to let it go

To let it go, you'll never know just what you're worth
but if you never try you'll never know, just what you're worth

Lights will guide you home, and ignite your bones, and I will try you
Lights will guide you home and ignite your bones, and I will try to fix you

Ah, ah, ah, ah, ah

Tears stream down your face
when you lose something you cannot replace
Tears stream down your face and I

And I ah, ah,
Tears stream down your face, I promise you I will learn from my mistakes

Ah, ah
Tears stream down your face and I

Ah, ooh mm
Lights will guide you home and ignite your bones, I will try to fix you
