

Set fire alter

Sopr: let it fall..... It was dark

Oh oo and you saved me oo mm..... oo

Mænd : but theres a side.....

Never knew never knew oo..... never true never true oo.....

Ah.....but I set fire to the rain watched it pour as I touched your face

Oh.....oh.....oh.....

Ah..... You and me together nothing gets better

Cause there`s a side to you that I never knew never knew

All the things you`d said they were never true never true

And the games you`d play you would always win always win

But I set fire to the rain watched it pour as I touched your face

When It burned well I cried cause I heard it screaming out your name oh oh

I set fire to the rain and I threw us into the flames oh.....oh ah.ah ah
