

Winter Song

Bom bom bom.....

**This is my wintersong to you
The storm is coming soon,
It rolls in from the sea
My voice, a beacon in the night.
My words will be your light, to carry you to me.**

Is love alive Is love alive Is love
Love alive love alive

Bom bom bom....

**They say that things just cannot grow
Beneath the winter snow,
Or so I have been told
They say we're buried far
Just like a distant star I simply cannot hold**

Is love alive Is love alive Is love alive
Love alive love alive

Do do do...

Solo: This is my winter song, December never felt so wrong
'cause you're not where you belong

S: Bum bum bum...

A: oooooo

T: o o

B: do do

Inside my arms

Bom bom bom...

**I still believe in summer days
The seasons always change and life will find a way
I'll be your harvester of life and send it out tonight so we can start again**

Is love alive Is love alive Is love
Love alive love alive

Do do do

Solo: This is my winter song, December never felt so wrong
'cause you're not where you belong

S: Bum bum bum...

A: oooooo

T: o o

B: do do

Inside my arms

This is my wintersong to you

The storm is coming soon, it rolls in from the sea

My love a beacon in the night.

My words will be your light, to carry you to me

Is love alive is love alive is love alive is love alive

Love alive love alive....
