

# You Learn

I recommend biting off more than you can chew to anyone

I do

I recommend sticking your foot in your mouth anytime

Feel free

Throw it down

The caution blocks you from the wind

Hold it up

To the rays

You wait and see when the smoke clears

You live You learn You love You learn  
You cry You learn You lose You learn  
You bleed You learn You scream You learn

} 2 gange

Lai la Lai la

La ha hie

Ya ha hie ya

*Wear it out the way a three year old would do*

*Melt it down you're gonna have to eventually anyway*

Ah it down

The fire trucks are comin' up around the bend

You live You learn You love You learn

You cry You learn You lose You learn

You bleed You learn You scream You learn
