

Landslide, 2.sopran

Oo – oo

I took my love, I took it down,

I climbed a mountain and I turned around

And I saw my reflection in the snow-covered hills
'til the landslide brought me down

Oh, mirror in the sky, what is love?
Can the child within my heart rise above?
Can I sail through the changing ocean tides?
Can I handle the seasons of my life?

Well, I've been afraid of changing 'cos I've built my life around you
But time makes you bolder, even children get older
and I'm getting older too

Well I've been afraid of changing 'cos I've built my life around you
But time makes you bolde,. even children get older
and I'm getting older too
Oh I'm getting older too

Oo, Oo – oo – oo – oo oo – oo – oo – oo oo – oo – oo – oo oo – oo – oo – oo

*Ah, take my love, take it down. Ah, climb a mountain and you turn around
and if you see my reflection in the snow-covered hills. Well the landslide
bring it down*

And if you see my reflection in the snow-covered hills
Well, the landslide bring it down
oh, the landslide bring it down

Well I've been afraid of changing 'cos I've built my life around you
But time makes you bolder, even children get older and I'm getting older too

Oh I'm getting older too
Oh I'm getting older too
