

TRY A LITTLE TENDERNESS

Mm mm mm

*She may be weary*

Young girls do get weary,

wearing that same shabby dress

*Mm Oh*

*and when she's weary*

Try a little tenderness

*mm tenderness*

*You know she's waiting*

Just anticipating

*things she may never possess*

Ah While she's without them

Try a little tenderness, ah ah

It's not just sentimental she has her grief she has her cares

*Doo-wop, bah doo-wop, bah doo-wop, bah doo-wop, bah doo-wop, bah doo-wop, bah doo-wop, bah doo-wop*

But a word that's, soft and gentle, makes it easier to bear

*Doo-wop, bah doo-wop, bah doo-wop, bah doo-wop, bah doo-wop, bah doo-wop, bah doo-wop, bah doo-wop*

*You won't regret it*

Young girls don't forget it, oh oh oh

*Love is their only happiness, oh*

It's all so easy, try a little tenderness

*Ah ah ah*

You know she's waiting, just anticipating things she may never possess

*Ah ah ah ah*

While she's without them, try a little tenderness

*Ah ah ah*

Bah bah bah, bah bah bah, bah bah bah, bah  
*Bah bah bah, bah bah bah, bah bah bah, bah*

Ah, it's not just sentimental, she has her grief she has her cares  
*Ah, bah dah, bah dah, bah dah, bah dah, bah dah, bah dah,*

But a word that's, soft and gentle, makes it easier to bear  
*bah dah, bah dah, bah dah, bah dah, bah easier to bear*

*You won't regret it*

Young girls don't forget it, oh oh oh  
*Love is their only happiness, oh*

It's all so easy, try a little tenderness  
*Ah ah ah*

*Tenderness oh oh oh oh*

It's all so easy, try a little tenderness, tenderness. Mm  
*Ah It's all so easy, try a little tenderness, tenderness. Mm*
